Dear Friends,

Thank you for your generous donation to Warrick Dunn Charities. Your help makes it possible for Warrick Dunn Charities to achieve its purpose of families thriving economically, academically, and socially.

The Homes for the Holidays program instills self-reliance and stability among economically-disadvantaged single-parent families on the verge of financial independence. Having served 127 single parents and their 344 children since 1997, the program provides down-payment assistance to decrease the burden of monthly mortgage payments.

New this year, Warrick Dunn Charities also offers Betty's Hope, a program helping youth who are experiencing a loss to manage their grief and heal. Betty's Hope partners with schools and community centers to provide support via a mobile unit that alleviates issues of access and transportation.

We look forward to your continued support. If you have questions or would like more information, please do not hesitate to contact us at (404) 367-2230.

Sincerely,

Warrick Dunn
